

April 2024 Sponsorship Chair report

I followed up with a few of the businesses that I reached out to previously. I will continue to do so for the month of may as well.

I had the lawn signs and banners made through Vistaprint and they should arrive by may 18th. I also decided to have my business become a sponsor and will donate the cost to cover the signs and banners as my businesses contribution to MHT.

Nothing further to report.
