

## **MHT March Treasurer Report**

Current Bank Account Balance: \$49,218.46

### **Income:**

Membership: \$125

ACSC Grant: \$20,000

- The remaining \$5,000 will be granted once the project final report is completed. Barry will need to provide us with receipts/invoices.

Sponsorship: \$50 – Wine Sense (Receipt Sent)

### **Expenses:**

Ziplocks for Ribbons: \$9.24

Brochures: \$104.86

Annual Return with Corporations Canada: \$12 (Uploaded to Treasurer Folder)

### **Other Items:**

#### **MHC Requests:**

I was in contact with Kylee from MHC re: filling out information for their grants. She has also sent me this link to upload our events:

<https://mbhorsecouncil.wufoo.com/forms/q1mk0nfh0fn7797/>

This is to let MHC know about our events so they can market them on their social media. I was thinking marketing or events could submit these prior to each event. The link requests information such as date, location, description.

Our club will also be getting a spotlight on MHC social media in September. They are requesting photos to use. I uploaded some photos I had into the Marketing/Sponsorship folder on the drive. A few photos will need to be selected and sent on to Kylee at MHC for the spotlight.

#### **Sports Manitoba Grant:**

I will apply again for the Sports Manitoba Sport Development grant for the Ruth Allum Clinic.

The following was the description write up I used last year:

*Manitoba Horse Trials is hosting a three day clinic with high performance eventing coach - Ruth Allum from Ontario. This clinic is open to both experienced and beginner riders who want to further develop their performance in the sport, as well as new comers who want to give the sport a try. Over the three days participants will receive coaching in each of the three disciplines that make up the sport of eventing. This level of coaching will provide our community with an excellent learning opportunity to progress along their performance pathways. This clinic also provides sports initiation and*

*development for those who wish to try eventing and can do so in a learning environment before progressing to competition.*

If anyone has anything to add I can do so.

The following information I will need:

1. Anticipated Number of Participants
2. Entry Fee
3. Expenses: MHC Grounds or only Cross Country field?
  - i. If Cross Country only: expenses will be potty, and water tank?
4. Ruths anticipated expenses (below is what I used last year):
  - i. Ruth Allum - \$1000/day x3days = \$3000
  - ii. Ruth's Airfare Estimate - \$1000
  - iii. Ruth's Expenses: Car Rental/Gas, Food - \$500
