

What is Manitoba Horse Trials?

Manitoba Horse Trials is a local non-profit equestrian sports club specializing in Eventing. Eventing is the triathlon of equestrian sport. It combines the disciplines of dressage, cross country, and show jumping. Equestrian sports are one of the few sports in which our members can participate without limitations.

Our primary show grounds are located in Birds Hill Provincial Park in the RM of Springfield. Our organization is entirely volunteer based; we operate purely out of a love for our sport and horses.

Sponsorship Opportunities

Why Sponsor us?

The success of our organization and our outreach is dependant upon the financial and product support from corporations and private sponsors. We have been fortunate in the past years to have some support from local businesses. This year we are hosting a full season of events, requiring increased support.

Our membership is diverse and the demographic of people supported by your contribution is wide.

Not all donations have to be financial, we accept all donations in kind.

All non-monetary donations are categorized according to our sponsorship levels and will be advertised as such.

Contributions

What your contributions go towards
New Jumps

Every year we put time and effort into redesigning and reconfiguring our course. This means the acquisition of new obstacles.

Painting

Since our course is outdoors, a lot goes in to maintaining our jumps which stay outside all year round. This means fresh paint and new designs to keep our course fresh and maintained.

Course Maintenance

Grass grows, trees fall, bees build nests... These are all things we need to fix before our course is safe for use.

Development

Aiding local candidates to pursue certification as officials.

Aiding Riders to progress in the sport and enhance their connection with their equine partners.

Prizes

Donations in kind are given as prizes and awards to participants at our many events. We request a business card to be given with the donation to allow promotion.
